Duo Cordless Epilators

**BABYLISS, EUROPE'S
#1 BRAND IN
PERSONAL CARE****

^{*} 2x faster + 2x more effective hair removal than a standard single head epilator.

^{**} Source: GfK G8 Europe 2014, for haircare and grooming segments.

IMPORTANT

Before its first use you must fully charge your Duo Cordless Epilator for 16 hours. Always prepare the skin before epilating, ensuring it is clean & free from cream or body milk. Always hold the epilator at a 90 degree angle & work with both hands when epilating. Carefully stretch the skin & hold the skin taut while moving the epilator with the other. Move the epilator against the direction of hair growth. Do not use circular movements.
Always clean the epilator head after each use.
